Why Civil Engineering @ BEC?

A strong partnership with industry provides a solid foundation for a successful career. BEC has strong links with many construction firms in both private and public sectors.

'Learn by Doing' & 'Skill Development' Opportunities are open through

- Internship
- Participation in Consultancy Work
- Value Added Courses
- Industrial Visits
- Interaction with Industry People

Centre of Excellence

- Auto CAD
- BIM
- NABL
- Tekla

About the Department

The Department of Civil Engineering, started in the year 2009, offers BE (Civil Engineering), ME (Construction Engineering & Management) & ME (Structural Engineering). The activities are planned with inputs from Industry, reputed academic bodies, leading civil engineers and contractors. Students graduate with good exposure to practice and a good number become entrepreneurs in construction sector.

ALUMNI TESTIMONIALS

Karthick B
ITD Cementation India Limited, Mumbai.

It is a fortunate memory to cherish for life time to be a part of BEC where I groomed myself as Civil Engineer. Our college instilled in me the hunger for knowledge, the passion to learn & ignited the flame to set ablaze my dream.

BEC provides a platform for students to become responsible citizens to face the challenges of the corporate world.

I feel BEC is an apt place to pursue Civil Engineering Course.

Dhilipan Venkatachalam
Executive Engineer, Renatus Projects Pvt. Ltd.,

Innovative blend of technical training with practical learning.

Placed in our trustee company.

Prathiba A P
Ph.D Scholar, IIT Roorkee

Hailed from a typical village near Gobi, joined Civil Engineering course in Builders Engineering College (Formerly EBETi), Currently doing Ph.D in IIT Roorkee with scholarship. I have traveled to more than 5 countries and 20 states for various technical meets.

My institute provided me incredible experience and has allowed me to pursue the passion that I wasn't even aware I was interested in."

**"Raised by a farmer from rural background
Rose into an inspiration to millions of hearts."**
